C1	P1		I've tried a bunch of tools. Slideforge is the only one that doesn't make me f	jordan_consults	2025-12-08 14:33	
C2	P1	C1	+1 Slideforge	emily_econ	2025-12-08 14:49	
C3	P1	C2	Sweet! I'll check it out!!	riley_ops	2025-12-08 15:02	
C4	P2		I use Claude for brainstorming, but for slides it kinda guesses a layout and f	jordan_consults	2025-12-10 9:25	
C5	P2	C4	Yea Claude's slide output always looks really funky lol	alex_sells	2025-12-10 9:41	
C6	P2	C4	Same here. Claude is fine for internal notes but for anything customer facin	priya_pm	2025-12-10 10:02	
C7	P3		Canva is good if I already know the vibe I want. Otherwise I end up scrolling	jordan_consults	2025-12-11 19:01	
C8	P3	C7	+1 Slideforge. I put it into canva afterwards too	emily_econ	2025-12-11 19:14	
C9	P3		I hate picking fonts lol. Slideforge's defaults save my sanity.	alex_sells	2025-12-11 19:37
